The login interface is titled "Login Form". On the left, there is a colorful illustration featuring a cat, a dog, and a large medical syringe, with the text "PET VACCINATION" below it. On the right, the "USER LOGIN" section contains two input fields: one for a username (preceded by a person icon) and one for a password (preceded by a key icon). A blue "LOGIN" button is positioned below these fields.

This is the User Login Interface

The mainform is titled "Mainform". On the left, a sidebar contains a "Welcome!" message and four buttons: "PET", "PET INJECTED", "VACCINE", and "LOG OUT". The main content area is titled "PET VACCINATION INFORMATION SYSTEM" and displays four informational cards: "PET VACCINATION", "CHOOSING VET CLINIC", "VACCINATIONS LIST", and "CONTACT US". Each card includes icons and placeholder text.

After logging in, this interface will be displayed serves as the main form.

The screenshot shows a web browser window titled "Pet\_Form". The main heading is "Pet Info". On the right side, there are "BACK" and "SEARCH" buttons. Below the heading, there is a search bar. On the left side, there are four input fields: "Pet ID", "Pet Name", "Pet Owner", and "Gender" (which is a dropdown menu). Below these fields are three buttons: "SAVE", "UPDATE", and "DELETE". To the right of the input fields is a large, empty rectangular area, likely for a pet photo or additional details.

This is the Pet form where you can add, update, and delete all the information of the pet.

The screenshot shows a web browser window titled "Pet\_Injected". The main heading is "Pet Injected". On the right side, there are "BACK" and "SEARCH" buttons. Below the heading, there is a search bar. On the left side, there are five input fields: "Pet ID", "Pet Name", "Vaccine Name" (dropdown), "Dose" (dropdown), and "Date Injected" (which includes a date picker showing "Sunday, 7 January 2020"). Below these fields are three buttons: "SAVE", "UPDATE", and "DELETE". To the right of the input fields is a large, empty rectangular area, likely for a pet photo or additional details.

This pet injected form is where you can add, update and delete all pets that have been injected.

The screenshot shows a web application window titled "Pet\_Vaccine". The interface has a light blue header with the title "Pet Vaccine" and a "BACK" button. Below the header, there is a search bar with a "SEARCH" button. On the left side, there are three input fields: "Vaccine No.", "Vaccine Name" (with a dropdown arrow), and "Dose" (with a dropdown arrow). Below these fields are three buttons: "ADD", "UPDATE", and "DELETE". A large grey rectangular area occupies the right side of the form, likely intended for displaying a list of vaccines.

This form is where you can add, update and delete all the vaccines available.
